No obligations. Buy only when you are convinced. We have a take up rate of 90%! You can register and download a free trial copy via [www.propertybang.com](http://www.propertybang.com).

## PropertyBang Premium

\$299

~\$249~

### 14 Days Free Trial

- **One Entry, Multiple Submissions:** Submit the property listing once and automatically submits to many property portals for greater exposure
- **Multiple Repost & Delete:** User friendly interface which allows you to edit your listings, repost or delete in a click
- **Auto Repost Scheduler:** Set your repost schedule for each property listing and PropertyBang will submit automatically on your behalf via our BACKEND SERVER.

#### Automatic submissions to 7 portals

Includes top paid property portals like i-Property, G-u-r-u, and many free portals (ST-701, Singapore-Expats, Property-Hub, Singapore-Property-Exchange, PropertySGToday). New portals will be added to PropertyBang for members at no additional cost.

#### Easiest software to use

PropertyBang is designed with a simple interface, better looking and more organized. Save your time for more important property viewings and let us do the work for you. For every listing you submit, you save 60 minutes!

#### Outstanding user support

Our friendly support officer understands PropertyBang and your requirements. Our support is managed in-house and our team is committed to offering the high quality of support that you should expect. We value our members and strive to serve you better.

#### We listen to our users

We stay connected with our software users and provide solutions you need. We enhance our software based on user feedback and we constantly add features that you tell us will make your business run better.

## WHY PROPERTYBANG?

For every listing you submit, you save 60 minutes! So why not save the time for more important property viewings and for family?

Gain wider exposure for your property listings by leveraging on the free property portals.
